WHAT I WANT TO GET OUT OF THE NETWORK:

- exchange experience;
- looking for cross sectorial collaboration opportunities;
- searching for partners and new clients;

WE ARE THE ORGANIZATION THAT:

- we're cooperating with regional and local authorities in terms of implementation of projects concerning social policies, raising societal and entrepreneurship awareness;
- is a key Business Support Organization in Silesia and one of the biggest in Poland;
- converting degraded postindustrial areas into areas of economic activity;
- providing consultancy on internationalization and commercizlization;
- participating in international projects supporting the increase of regions and local competitiveness;
