WHAT I WANT TO GET OUT OF THE NETWORK:

- visibility of our organization & work;
- new partnerships on national/international level;
- new expertise from the project outcomes & results;
- strengthening cooperation with SRIP Smart buildings;
- cross-sectoral cooperation on national and international level;
- new opportunities for our member organizations,

WE ARE THE ORGANIZATION THAT:

- is a lead partner for the national partnership SRIPT;
- coordinates around 50 members with a goal to unite different Slovenian tourism stakeholders in a platform;
- the main activities are to identify good practices and share them amongst members, to organize different professional workshops,
- acts as a coordinator between the national institutions and SRIPT members;
- formed an international partnership with Finnish, Spanish and Italian partners and is in a process of joining NECSTOUR;
- has app 275 members, companies that have more than 8000 employees;
- offers know how in the field of tourism, cross-sectoral cooperation, cluster management, R&D and S4;
