WE ARE THE ORGANIZATION THAT:

- associates companies operating in plastics processing and tool industry;
- aims at the integration of processing and tool experts, representing their interests outside the industry and also establishing a network of business connections;
- organizes its own trade fair called International Cooperative Trade Fair of Tools and Processing Industry INNOFORM;
- together with Partners from Kujawsko-Pomorskie Region coordinates the TOOLS VALLEY project;
- cooperates with domestic and foreign organizations in the field of joint projects, promotion and R&D;

WHAT I WANT TO GET OUT OF THE NETWORK:

- international contacts for further cooperation;
- new projects initiatives;
- sharing experience and best practices;
