WE ARE THE ORGANIZATION THAT:

- aims to create a stable institutional framework for the Government coordination and predictable funding of research, development and innovation in Hungary;
- fosters a dynamic cooperation between scientific centers and enterprises to create an inspiring environment for innovation;
- develops our nation's strategy for scientific research, development and innovation as a policy-maker, manages the National Research, Development and Innovation Fund as a funding agency;
- represents the Government of Hungary as well as the Hungarian researcher community in international and European RDI organizations;

WHAT I WANT TO GET OUT OF THE NETWORK:

- to share experiences and explore cooperation possibilities with S3 planning and monitoring organizations;
