## WE ARE THE ORGANIZATION THAT:

- has been operating since 2006 in the area of 7 communes of the Janów County;
- has mission to improve the quality of life, stimulate economic and social activity of the LAG's inhabitants to make innovative use of local resources and available external resources through cooperation between local governments, entrepreneurs and non-governmental organisations;
- she organized study visits for Local Action Groups from: Kosovo, Finland and Moldova.

## WHAT I WANT TO GET OUT OF THE NETWORK:

- inspirations concerning development projects, especially in the field of entrepreneurship; development - mainly on a small and micro scale;
- get to know system solutions that can be implemented by LAGs;
- establish partnerships in the field of local development, including in particular the development of entrepreneurship;
