

# CGREEN INNOVATION HUB

PUBLIC COMPANY

**CGREEN**  
GREEN CHEMISTRY  
AND ADVANCED MATERIALS

## COUNTRY / REGION:

Piedmont, Italy

## CONTACT:

Bruno Bellone  
[www.cgreen.it/en/homepageen/](http://www.cgreen.it/en/homepageen/)  
[pst@pst.it](mailto:pst@pst.it)

## ADDRESS:

Strada Comunale Savonesa, 9  
Località Rivalta Scrivia Tortona

## WHAT I WANT TO GET OUT OF THE NETWORK:

- Exchange experiences and initiate new contacts;

## WE ARE THE ORGANIZATION THAT:

- aims to support the competitiveness and the development of the environment of regional companies working in the Green Chemistry and Advanced Materials sector;
- targets SMEs, big companies, universities and research centers to push their competitiveness; to submit funded development projects and we help regional policy makers to improve the regional innovation environment to boost technological development of the regional companies, their internationalization process and their personnel qualification;
- has today 178 cluster members and is one of the 7 Regional Innovation Clusters;
- works in synergy with the regional center for internationalization, support for international contacts and partnerships and active participate to national and international platforms relevant for the sectors;
